

Complete the Puzzle and Win an Apple iPad 2

Here's How it Works

Earn Fun Bucks points in multiple lines of business during the months of April and May 2011. (See the "Win an Apple iPad 2" Fun Bucks Point Schedule below.)

While earning Fun Bucks points, you will also be completing a 9 piece puzzle. Each piece of the puzzle represents a different product. When you bind a qualifying product, say a Victory Admitted policy, the Victory Admitted puzzle piece will be complete. Only one bind is needed to complete any given piece. You will also earn the corresponding Fun Bucks points when a puzzle piece is completed. Complete all 9 puzzle pieces and you complete the puzzle. You must complete the entire puzzle AND earn 3000 Fun Bucks points to win the Apple iPad 2.

The Puzzle

The "Win an Apple iPad 2" puzzle is located in your "Win an Apple iPad 2" point counter. Your point counter can be accessed from the View Submission page of the BTISinc.com website. You must be a registered producer for BTIS and logged in with your Agency Code and Password to view your "Win an Apple iPad 2" point counter. Only one bind is needed to complete each piece of the puzzle. You will know you have completed a piece when the logo changes from gray to color. The Victory Admitted logo in the example logo to the left is complete.
