This letter is submitted in connection with the Application of the above captioned Proposed Named Insured for the proposed insurance described above. It is understood and agreed that Company has relied upon this letter as being accurate and complete, and such letter is material to the risk assumed by Company in connection with its underwriting and decision to bind coverage for the proposed Insured.

The undersigned hereby warrant and represent that they have made an inquiry of the proposed Insured, and that, as of the date this application is executed, they have no knowledge or information of any claim, fact, proceeding, circumstance, act, error or omission which has already given rise or might possibly be expected to give rise to a "Claim" (as defined below) within the meaning of the proposed insurance, against any Insured in the past or future, except for such claims, facts, proceedings, circumstances, acts, errors or omissions, if any, which have been disclosed on the attached application, regardless of the resolution of such.

On behalf of the proposed Insured, the undersigned acknowledges and agrees that no coverage shall be afforded under the proposed insurance with respect to any "Claim" arising out of, based upon or in consequence of, directly or indirectly resulting from or in any way involving any claim, fact, proceeding, circumstance, act, error or omission which the proposed Insured had any reason to expect prior to the inception of the captioned policy period might give rise to a "Claim" against any Insured in the future.

DISCLOSURE PURSUANT TO TERRORISM RISK INSURANCE ACT OF 2002

A. Disclosure Of Premium

In accordance with the federal Terrorism Risk Insurance Act, we are required to provide you with a notice disclosing the portion of your premium, if any, attributable to coverage for terrorist acts certified under the Terrorism Risk Insurance Act. The portion of your premium attributable to such coverage is shown in the Schedule of this endorsement or in the policy Declarations.

B. Disclosure Of Federal Participation In Payment Of Terrorism Losses

The United States Government, Department of the Treasury, will pay a share of terrorism losses insured under the federal program. The federal share equals 85% of that portion of the amount of such insured losses that exceeds the applicable insurer retention. However, if aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a Program Year (January 1 through December 31), the Treasury shall not make any payment for any portion of the amount of such losses that exceeds \$100 billion.

C. Cap On Insurer Participation In Payment Of Terrorism Losses

If aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a Program Year (January 1 through December 31) and we have met our insurer deductible under the Terrorism Risk Insurance Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.
