Quoting Tips

- Easily search for the customer's occupation
- Select/reject all household drivers, enter all employees and select driver status
- Personal auto types, including cars, pick-up trucks and vans, are now based on the VIN # and rated as Actual Cash Value
- Commercial trucks are rated on Stated Amount and Gross Vehicle Weight (GVW)
- Quickly quote and bind up to nine power units
- Fleets (10 or more power units) require underwriting approval and receive discretionary pricing
